

FEI Veterinarian Course 2013

FEI Veterinarian Course Budapest (HUN)

1 – 2 October 2013

The Hungarian Equestrian Federation and the FEI Veterinary Department are pleased to invite you to the FEI Veterinarian course from 1-2 October 2013.

The course will follow the new FEI approach to courses. There will be both a theoretical and a practical element, with scenario usage and discussions.

This course is suitable for all current FEI Official Veterinarians wishing to update (maintain) their status in all disciplines, and veterinarians seeking promotion to become FEI accredited veterinarians in all disciplines (also Endurance 2*). Furthermore, the course is highly relevant for treating and team veterinarians.

The finalised course timetable and programme will be communicated after the closing date of registration.
